

AP Computer Science A Summer Assignment 2019

- All AP students are required to create a khan academy account using their school email address.
 - www.khanacademy.org
- Students are required to complete the assigned modules by the due date.[August 4, 2019]
- Students are asked to attend a summer jumpstart programming course being held at the SWMHS, Monday – Thursday, August 5th – August 15th. Any student who has not taken the Advanced Concepts in Programming course is strongly encouraged to attend the jumpstart program.
